

**GSA SCHEDULE 70
INFORMATION TECHNOLOGY (IT) SERVICES
SPECIAL ITEM NUMBERS (SINs): 132-50 and 132-51**

The GSA IT Schedule, awarded to LOGTEC June 18, 1997 and extending through April 30, 2007, allows LOGTEC to provide automated data processing services and classroom training to any Department of Defense (DoD) and commercial organization. SINs describe the products and services that are solicited under this schedule. LOGTEC's SINs for GSA Schedule 70 are 132-50 and 132-51. Each of the SINs is described in the following paragraphs.

132-50: Classroom Training - Services under this SIN involve providing training for a variety of general purpose IT equipment, software, and services.

132-51: IT Services - Services under this SIN include resources and facilities management, database planning and design, systems analysis and design, network services, programming, millennium conversion services, conversion and implementation support, network services project management, data/records management, subscriptions/publications (electronic media), and other services.
